**SPECIAL FILMING CONDITIONS
2185 LAYTON STREET & 2186 E. CRARY STREET IN ALTADENA**

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

This location is a large mansion with the above two addresses that sits on a substantial amount of property surrounded by smaller single family homes.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*
- **Company may not block driveways without prior permission from homeowner.**
- **No steps or stairs from motor homes, trucks or trailers may be put down on private property without prior permission from homeowner.**
- **Company may park a maximum of 3 production trucks on Crary Street.** Company must base camp outside the area.
- **Equipment parking is prohibited on Layton Street.**
- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
- **Generator must be placed on private property.**
- **Cast and crew may not park on area streets.** Off-street parking must be provided.
- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m. unless approval is obtained from FilmL.A., and the approved times are indicated on the permit.**

Note: Any variance from the above conditions requires that the production company survey affected residents to identify significant concerns with the proposed activities. Signatures must be obtained in accordance with the approved FilmL.A. Filming Survey process.
